MAPLE
GROUP:
CRAFTING
A BETTER
TOMORROW

Deepak Agarwal
Chairman, Maple Group

India is one of the fastest-growing economies in the world, fueled by its position as home to the largest and youngest workforce globally. This dynamic demographic landscape sets the stage for tremendous potential in the country's real estate sector, with forecasts indicating substantial market growth.

The cities in and around the Delhi/NCR region, particularly Gurugram & Bangalore have experienced the most significant surge in real estate development over the past decades, reflecting the increasing demand and expansion of urban infrastructure.

At Maple Group, we are proud to lead the charge in planned development across residential, commercial, and retail segments. Our unwavering commitment to quality and our promise to offer a lifestyle that is both delightful and fulfilling inspire everything we do. As we build the future, we remain focused on creating spaces that contribute to a better tomorrow—for our customers, our communities and our nation.

Ankit Agarwal
Director, Maple Group

Ankit Agarwal S/o Deepak Agarwal is a dynamic and forward-thinking leader whose strategic insight and entrepreneurial spirit have been integral to Maple Group's sustained growth and evolution. As Director, he brings a deep understanding of the real estate sector, coupled with a keen sense for innovation, market trends, and customer expectations.

Ankit plays a pivotal role in shaping the Group's long-term vision and translating it into actionable strategies across diverse verticals. His leadership is marked by a hands-on approach to project development—from ideation to execution—ensuring that every Maple initiative reflects the highest standards of quality, efficiency, and design excellence.

With a strong focus on customer-centric development, Ankit continuously champions new ideas that elevate the home-buying experience and reinforce Maple Group's reputation for delivering value-driven, future-ready spaces. His ability to balance business objectives with stakeholder satisfaction makes him a driving force behind the Group's rising prominence in the Indian real estate landscape.

As Maple Group expands its footprint, Ankit Agarwal remains committed to nurturing innovation, fostering transparency, and steering the company toward greater benchmarks of excellence.

Amrita Vaid
COO, Maple Group

With an illustrious career spanning over 35 years at Maple Group, Amrita Vaid has risen through the ranks to lead the organization as its COO. Her journey is marked by a rare combination of deep industry expertise, strategic foresight, and an unwavering commitment to innovation and excellence in real estate.

Amrita's leadership has been instrumental in redefining Maple Group's position in the Indian real estate sector. Her vision extends beyond business metrics—she has cultivated a culture rooted in trust, integrity, and long-term value creation. From conceptualizing landmark developments to streamlining operations and driving sustainable growth, Amrita's influence touches every facet of the business.

Her hands-on approach and future-ready mindset have enabled the Group to diversify its portfolio, enter new markets, and forge lasting customer relationships. Under her stewardship, Maple Group has become a pioneer in delivering projects that marry contemporary design with functional excellence, all while maintaining an unwavering focus on quality and customer-centricity.

Amrita Vaid continues to lead with clarity and purpose, steering Maple Group toward new horizons. Her dynamic leadership is not only shaping the company's success but also contributing meaningfully to the evolution of the Indian real estate industry at large.

GREEN BUILDING SOLUTIONS FOR A SUSTAINABLE & RESILIENT FUTURE

Our commitment to green building practices is transforming the way spaces are envisioned, constructed and experienced creating developments that are not only beautiful but also eco-friendly.

by integrating eco-friendly materials, energy-efficient technologies and smart resource management our green buildings significantly reduce environmental impact while enhancing quality of life. These spaces offer reduced energy consumption improved indoor air quality and lower carbon footprints ensuring comfort without compromise.

Beyond environmental impact, green living makes smart financial sense. Lower operating costs, enhanced durability, and increased property value are just a few of the tangible benefits. As demand rises for sustainable and wellness-oriented environments, MAPLE developments stand at the forefront, setting new standards in thoughtful luxury.

Our commitment also extends to the social ecosystem. A portion of our efforts and resources supports NGOs, with a special focus on the visually impaired, orphaned children, senior citizens, and animals — reinforcing our belief that true development uplifts every life it touches.

We don't just build structures — we cultivate eco-conscious communities. From reducing urban heat islands to encouraging biodiversity, every MAPLE project is designed to leave a lasting positive imprint on the environment and society.

Green buildings are more than a trend — they are an investment in a resilient and compassionate tomorrow. With MAPLE, you're not only investing in quality living but also contributing to a better, more balanced world for future generations.
